## **Genentech Employees Meet Solano Commute Challenge**

**Suisun City, CA** – Twenty-nine employees from Genentech in Vacaville were recognized by Vacaville Mayor Len Augustine and Vacaville Chamber of Commerce President/CEO Gary Tatum as part of the 2009 Solano Commute Challenge.

The third annual Solano Commute Challenge was sponsored by the Solano Transportation Authority (STA) and coordinated by Solano Napa Commuter Information (SNCI) in partnership with large employers and chambers of commerce throughout Solano County.

Genentech in Vacaville earned the title of “Commute Champion Workplace.” Mayor Augustine, a member of the STA Board, thanked Clint Holdsworth, Genentech Facilities Manager, and Mitch Korcyl, Genentech’s on-site Commute Challenge Coordinator, for their efforts. Wan Loh and Jessie Homchand were recognized as Genentech’s Most Outstanding Commuters by using a commute alternative 61 workdays.

43 major employers totaling 599 employees participated countywide. 363 employees across the County earned the title of Commute Champion, up more than 20% from 2008’s total of 300. The Commute Challenge is a targeted outreach campaign for major Solano County employers to encourage employees to use transit, carpool, vanpool, bike, or walk to work at least 30 workdays from August through October.

The STA regularly encourages the use of alternative modes of transportation for commuting through its Solano Napa Commuter Information program. Information on SNCI’s programs and services can be obtained by calling 1-800-53-KMUTE or visiting <http://www.commuterinfo.net>.
