Development Alternative Fuels  
Strategy and Infrastructure for Transit

**STA Board Workshop**

**June 27, 2011**

*Solano County Events Center*

# Workshop Discussion

1. How can STA best support the cities and county as they develop Climate Action Plans?
2. Are there additional ideas that should be incorporated into the development of a suburban PDA strategy and financial incentives for preservation of farmland and resource areas?
3. Should STA continue to pursue a public-fleet-first alternative fuels strategy?
