Fairfield and Suisun Transit

Senior & Disabled Transportation Summit II October 30, 2009

- Transportation Operators Panel Presentation:

The Road Ahead - Solutions and a Proposal for Change

A Constellation of Services

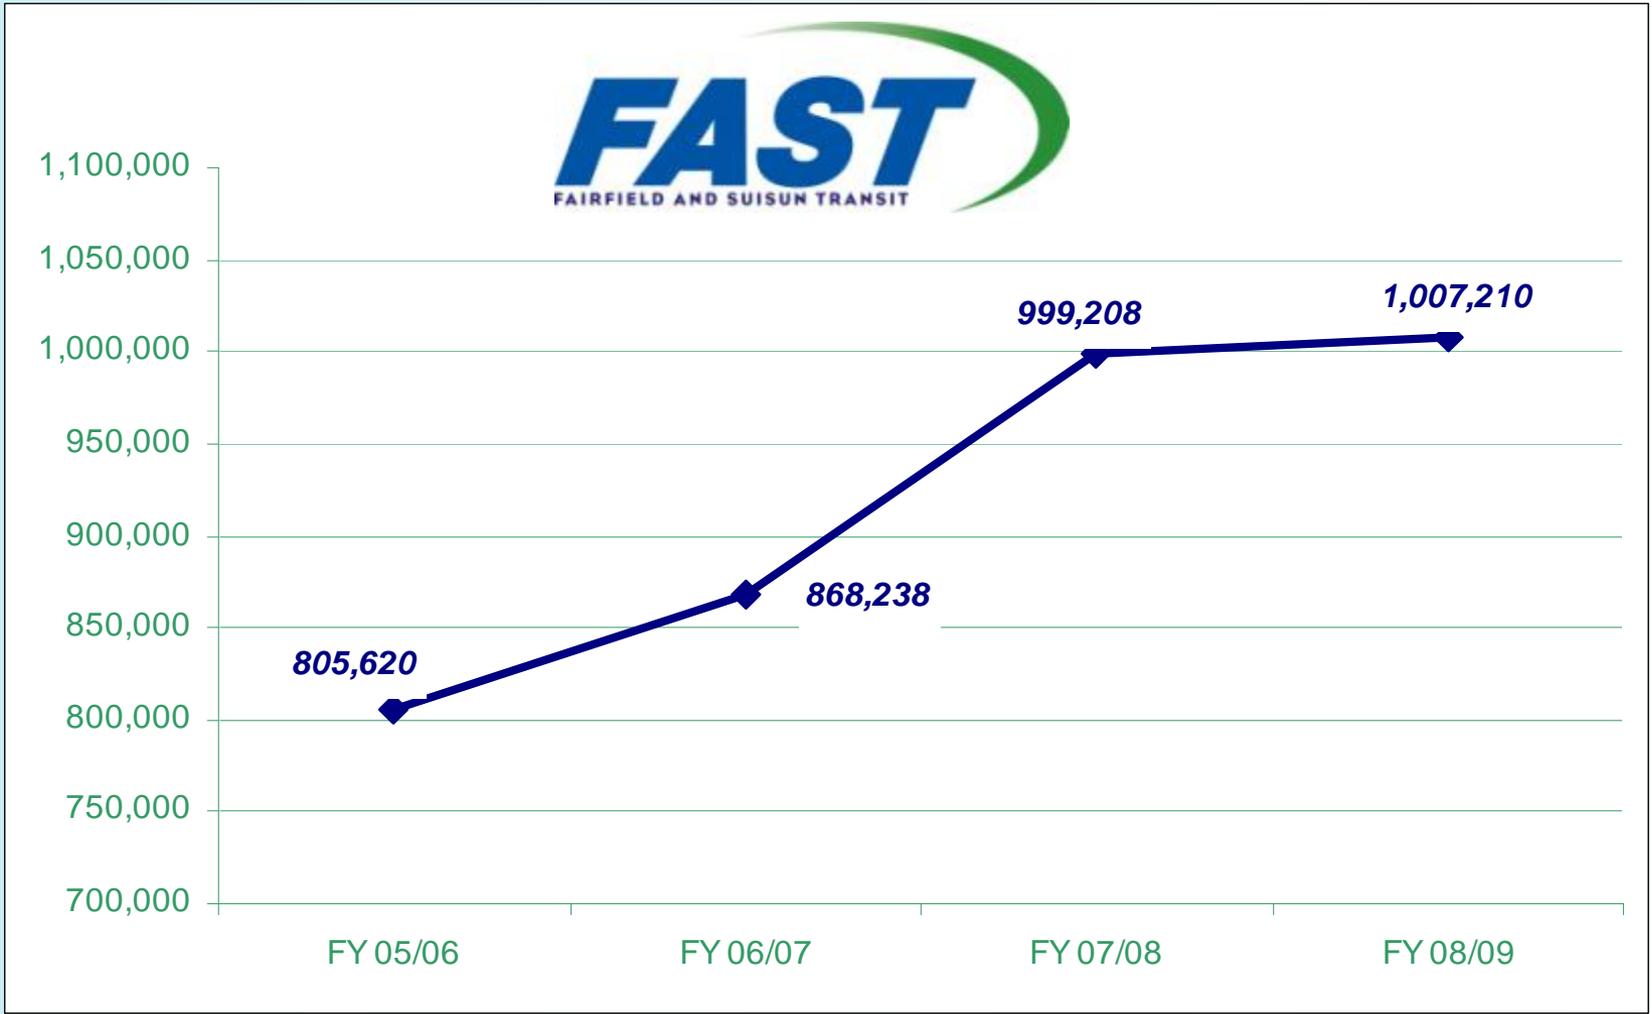

- FAST fixed route buses
- Solano Express Service
- DART Paratransit
- Reduced Fare Taxi
- Senior Volunteer Driver Program

System Highlights

- Historical high ridership – 1,007,210 in FY 08/09
- 20% overall ridership increase since FY05/06
- One of the most fiscally stable systems in the Bay Area
- Low fares with conservative management
- Focus on stability and sustainability
- Clean, green, renewing fleet

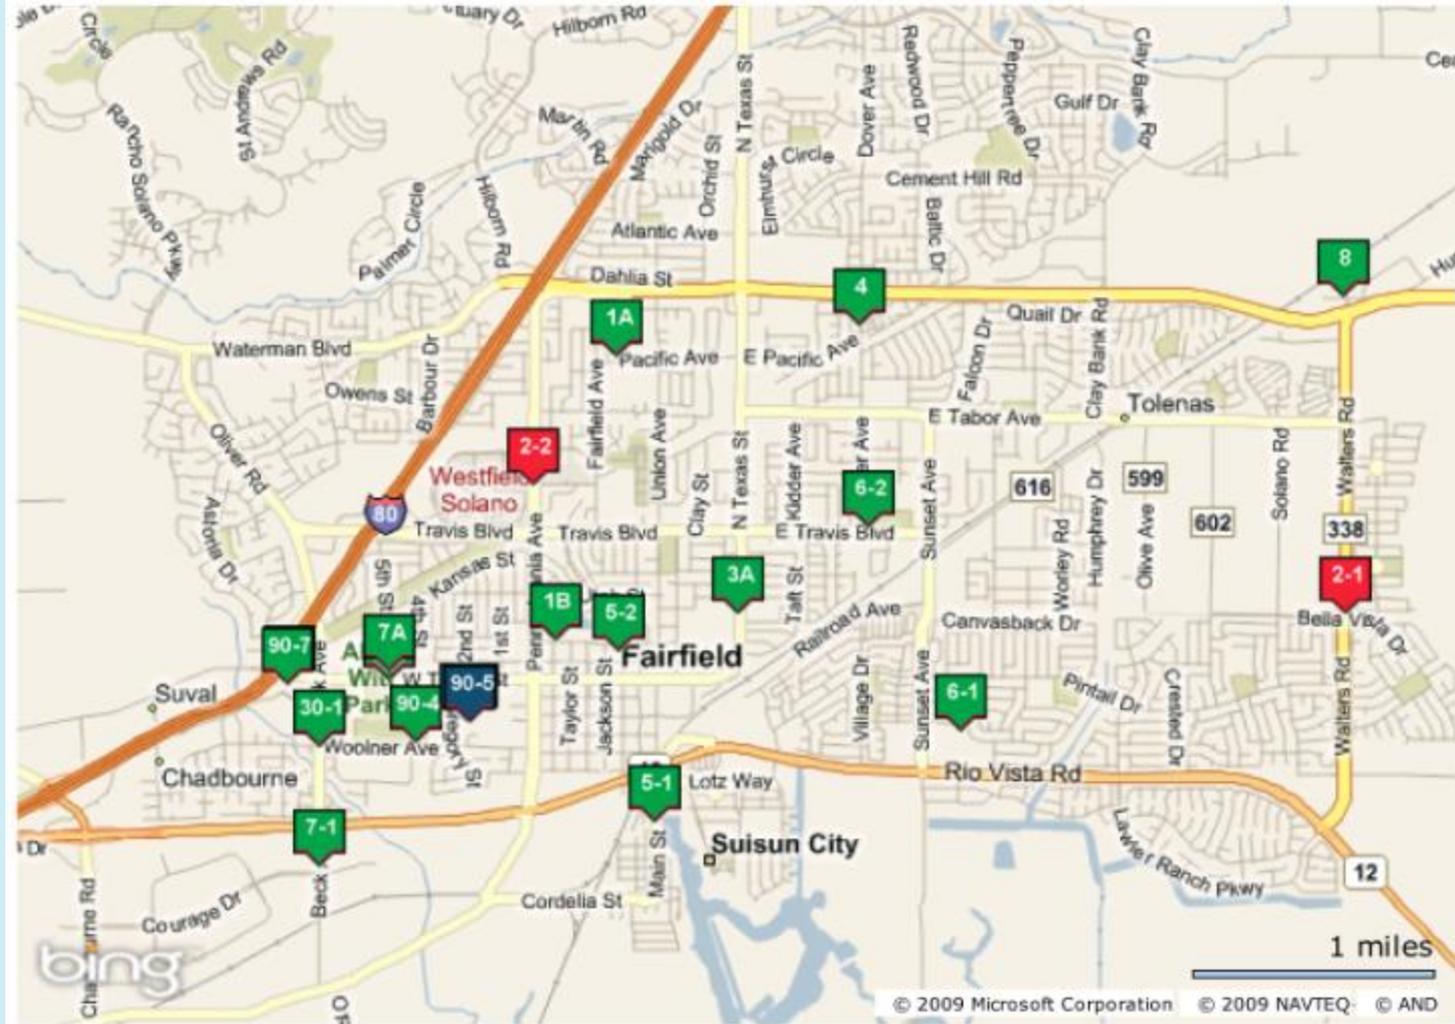

Ridership Trend

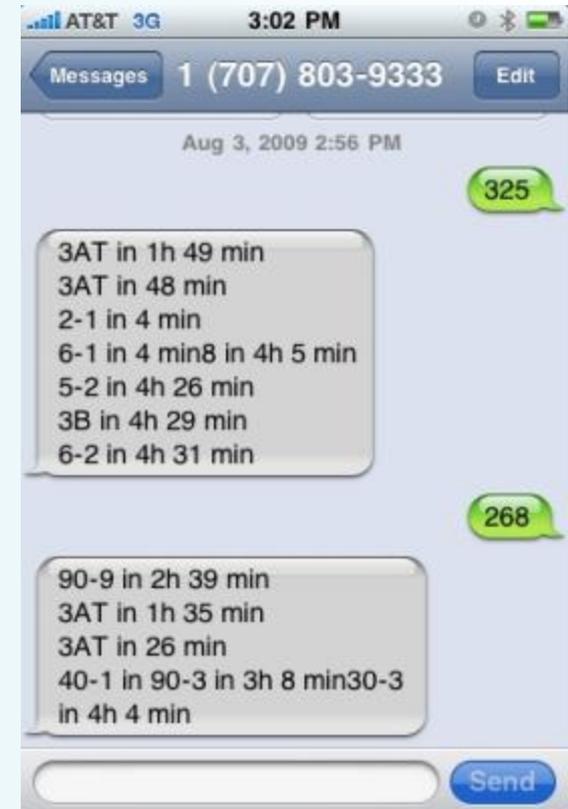

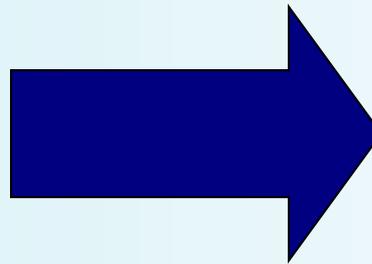

Technology: GPS Tracking

- Each bus, every stop, every two minutes...
- Ability to map location...
- Ability to record time of arrival and departure...
- Ability to monitor route alignment...
- Ability to estimate time of arrival...

Technology: GPS Tracking
