

## Solano County TLC Candidate Project - Prompt List

<b>Sponsor / Jurisdiction:</b>	City of Vallejo
<b>Project Title:</b>	Downtown Vallejo Streetscape Improvement Project Phase 2
<b>Brief Description:</b> (List key elements, include photos, graphics or Web site links for more information )	<p>The Downtown Streetscape Improvement Project includes streetscape and landscape beautification within a 13-block area bounded by Sonoma Boulevard to the east, Virginia Street to the north, Sacramento Street to the west and Maine Street to the south. Amenities include street furniture, signage, decorative paving, street lighting, pavement reconstruction, removal and replacement of curb, gutter and sidewalk, and storm drainage modifications within the public street rights-of-way. One of the goals of this project is to widen the sidewalks and to create street “bulb outs” to make it more amenable for pedestrian traffic. The improvements conform to the vision, goals, and requirements described in the Downtown Vallejo Design Guidelines, Downtown Vallejo Specific Plan, and the Downtown Specific Plan and Virginia Street Development EIR.</p> <p>A link between the new Vallejo Transit Center to the downtown area as well as the senior residence will be made in this project phase.</p>
