## **State Compensation Insurance Fund Employees Meet Solano Commute Challenge**

**SUISUN CITY, CA** – Ninety-five employees from State Compensation Insurance Fund in Vacaville were recognized by Vacaville Mayor Steve Hardy and Vacaville Chamber of Commerce President/CEO Mark Creffield as part of the 2011 Solano Commute Challenge.

Frank Cabunoc was recognized as State Fund's Most Outstanding Commuter for using a commute alternative on 72 workdays. State Fund in Vacaville was one of seven employers throughout the county to earn the title "Commuter Champion Workplace," and in addition was named the "Most Outstanding Workplace" among Solano County employers with fewer than 1500 employees in 2011.

51 major employers totaling 768 employees participated in the fifth annual Solano Commute Challenge countywide. The Commute Challenge was sponsored by the Solano Transportation Authority (STA), and coordinated by Solano Napa Commuter Information (SNCI) in partnership with large employers and chambers of commerce throughout Solano County.

The Commute Challenge is a targeted outreach campaign for major Solano County employers to encourage employees to use transit, carpool, vanpool, bike, or walk to work on at least 30 workdays from August through October.

The STA regularly encourages the use of alternative modes of transportation for commuting through its Solano Napa Commuter Information program. Information on SNCI's programs and services can be obtained by calling 1-800-535-6883 or visiting <http://www.commuterinfo.net>.
