State Compensation Insurance Fund Employees Meet Solano Commute Challenge

SUISUN CITY, CA – One hundred employees from State Compensation Insurance Fund in Vacaville were recognized by the Solano Transportation Authority (STA), Vacaville Mayor Steve Hardy and the Vacaville Chamber of Commerce as part of the 2012 Solano Commute Challenge.

State Fund in Vacaville was one of five employers to earn the title “Commute Champion Workplace.” In addition, State Fund was named “Most Outstanding Workplace” in 2012. Sebastian Gee was recognized as State Fund’s Most Outstanding Commuter for using a commute alternative on 92 workdays. Mayor Hardy, Vice Chair of the STA Board, thanked Cherry Hozian, State Fund’s onsite coordinator for her efforts.

The sixth annual Solano Commute Challenge was sponsored by the STA and coordinated by Solano Napa Commuter Information (SNCI) in partnership with large employers and chambers of commerce throughout Solano County. 47 major employers totaling 655 employees participated in this year’s Solano Commute Challenge countywide.

The Commute Challenge is a targeted outreach campaign for major Solano County employers to encourage employees to use transit, carpool, vanpool, bike, or walk to work on at least 30 workdays from August through October.

The STA regularly encourages the use of alternative modes of transportation for commuting through its Solano Napa Commuter Information program. Information on SNCI’s programs and services can be obtained by calling 1-800-535-6883 or visiting <http://www.commuterinfo.net>.
