***** MEDIA ADVISORY *** MEDIA ADVISORY *****

Solano County's Streets Need Fixing – Three Telephone Town Halls Scheduled!

SUISUN CITY, CA – As the Solano Transportation Authority (STA) sets priorities for future investments, your local elected officials want to hear from you. STA has received hundreds of public comments and four priorities have emerged:

1. Pothole repair,
2. Road safety,
3. Mobility for seniors and people with disabilities, and
4. Transparency and accountability.

Now, STA wants to hear from more residents – do you agree with these priorities? Are there specific projects and programs you think are important? STA wants to know your opinion on these important transportation issues that affect us every day. This is your opportunity to chime in and help determine where future transportation funds will be spent.

There are three ways you can participate:

1. Join a telephone town hall and give your input on funding priorities. Upcoming town halls:
 - a. South County Town Hall: Monday, February 8 at 6pm
Guest panelists: Benicia Mayor Elizabeth Patterson, Vallejo Mayor Osby Davis, County Supervisor Erin Hannigan and County Supervisor Jim Spering
 - b. First North County Town Hall: Tuesday, February 9 at 6pm
Guest panelists: Fairfield Mayor Harry Price, Rio Vista Mayor Norm Richardson, Suisun City Mayor Pete Sanchez, County Supervisor John Vasquez and County Supervisor Jim Spering
 - c. Second North County Town Hall: Tuesday, February 16 at 6 pm ***(added due to popular demand!)***
Guest panelists: Dixon Mayor Jack Batchelor, Vacaville Mayor Len Augustine, County Supervisor Jim Spering and County Supervisor Skip Thomson

Join the telephone town hall by dialing 1(877) 229-8493 and entering access code 112664.

2. Share your input online by visiting www.sta.ca.gov and weigh in with your priorities and ideas.
3. Contact us by email or phone. Write us at info@sta.ca.gov or call us at 707-424-6075.

For information about these topics, visit the STA website: www.sta.ca.gov.

*

SOLANO TRANSPORTATION AUTHORITY

The STA is responsible for countywide transportation planning, programming transportation funds, managing and providing transportation programs and services, delivering transportation projects, and setting transportation priorities in Solano County. The STA uses an open and inclusive public involvement process through various committees made up of local elected officials, public works directors, transit operators, and interested citizens.
