RE: Request for Qualifications (RFQ) #2025-07 for On-Call Bench of Consultants to Perform Construction Management Services

The Solano Transportation Authority (STA) has completed its evaluation of the Statement of Qualifications and Panel Interviews in accordance with the RFQ terms and conditions.

The apparent best-evaluated qualified firms are the following: **(1) Mark Thomas, (2) WSP, (3) MNS, and (4) HDR.** STA and its member agencies can begin contracting with the top-ranked firm on the on-call bench with the resources available to complete the needed construction management tasks starting with Mark Thomas, followed by WSP and so forth. This notice is NOT an acceptance of any offer and the STA retains the right to reject any proposal or withdraw the RFQ in its entirety.

This notice, in accordance with the subject of the RFA, shall NOT create rights, interests, or claims of entitlement in the apparent best-evaluated proposer or any firm. No firm shall acquire any such right unless and until a contract is fully signed by all appropriate officials at the STA and its member agencies.

Respectfully,
